Promotion
SUNDAY
August 16

Children promote to the next
age group or grade for
Sunday School!
Popcorn will be served

DID YOU KNOW?

Peacocks typically sleep
on trees to stay safe
from predators.

SUMMER UPDATES

Wow! What an incredible summer it has been for the children's ministry at Trinity.

We began running at full speed the first week of June with Preteen Camp at Mo-Ranch. We had a wonderful time being in nature, catching fish without a pole, competing on color war teams, and learning about God's Word and how it applies to our lives today.

The following week, we began preparing for Vacation Bible School while also hosting Skate Night at the Rollercade. We had a great turnout of Trinity members, and many invited friends. It was a wonderful way for new people to meet us and connect.

The next Monday, we began Vacation Bible School. We welcomed an incredible number of children and volunteers ranging in age from 13-80. What a beautiful experience it was for our church family to minister to children. Of course, the week concluded with Pastor Matt getting slimed, and offerings were given by the children to help others in our community.

That was followed by a pool party at the Alamo Heights Pool, where we connected with our

local community.

The conclusion of our busy summer was Art Camp. Every leader went above and beyond to create an atmosphere where children were truly encouraged to use their gifts to glorify the Lord. In Bible Study, we learned about some of the crazy things God asked people to do, such as following instructions we might not understand (Noah), offering forgiveness (Joseph), showing courage and perseverance (Mary), and demonstrating complete faith (the centurion).

Our summer was incredible, and you all were a part of it. The leaders who served, the parents who sent their children, the offerings you gave, and the prayers you prayed all mattered. Thank you, Trinity, for loving our kids and consistently supporting the ministry they receive.

You can find pictures and videos of each of these events on our Facebook. The other side of this page includes a progress report so you can have a visual picture of how we ministered!
